The party arrived at the little-used connecting passage running behind the Fran?oise and its neighboring establishments, and the soldiers waited among the shadows of the surrounding entrances and stairways while Lechat tapped lightly on the rear door of the restaurant. After a few seconds the door opened and Lechat disappeared inside. Several minutes later the door opened again and Lechat looked out, peered first one way, then the other, up overhead, and then beckoned the others quickly inside..night on the same street..identify a reason for this almost sweet anticipation. "Bernie, this is too much!" Jean's voice came up from the lounge area below. "I'm never going to get used to this." Bernard smiled to himself and left Jay's room to enter the open elevator cubicle by the top of the curving stairway. Seconds later he walked out again and into the lounge. John was standing in the center of the floor between the dining room and the area of sunken floor before the king-size wall screen that formed a comfortable enclave surrounded by a sofa, two large armchairs, and a revolving case of shelves half recessed into the wall; a coffee table of dark-tinted glass formed its centerpiece. She gestured helplessly. "What are we ever going to do with all this space? You know, I'm really beginning to think I might end up developing agoraphobia."..visible under the door to the right..Stormbel was a short, stocky, completely bald man with pale, watery eyes and an expression that never conveyed emotion. A thin moustache pencil-lined his upper lip. He put his hands on his hips and stared for a few seconds at the gaping faces before him. "This Congress is dissolved," he announced in his thin but piercing, high-pitched voice. "The Mission is now under the direct command of the Military." He turned his head to Borftein "You are relieved of command of both the regular and Special Duty forces. Those functions are now transferred to me.".. "Nothing," Juanita said. "But why would they? Who'd take any notice of them?".As a temporary barracks for the military force based on the surface, the Chironians had made available a recently completed complex of buildings designed as a school, which was intended for occupation later as Canaveral City expanded. It comprised a main administrative and social block, which the Army was using mainly for administrative and social purposes; an assortment of teaching and residential blocks, most of which were being used for billeting the troops, with part of one serving as a Detention Wing; a gymnasium and sports center which had become the stores, armory, and motor pool; and a communal dining hall which was left unaltered.. "You see--he's practicing being married already," Bernard said to Pernak with a laugh. Pernak grinned momentarily. Bernard looked at his son. "Well, it's early yet. Figured out what you're doing this afternoon?". "What little orange lady would that be?" Noah asked..that had stuck to her skin.. "His sister's cool.".. "I'm not so sure I agree," Swyley said, which meant that he did.. "Micky."..The girl gave Colman a funny look. "His uncle ran the whole of the West Side of New York and skimmed half a million off the top. When they found out, he had to spend it all buying himself a place on the ship. You didn't know?".back on the scaly mess, Leilani couldn't turn away as easily from the mental image of herself in a fit of.Colman remembered what lay had ~aid about the Chironian custom of going armed outside the settlements, and guessed that it traced back to the days when the Founders had first ventured out of the bases. Knowing the ways of children, he assumed this would have happened before they were very old, which meant that they would have learned to look after themselves early on in life, machines or no machines. That probably had a lot to do with the spirit of self-reliance so evident among the Chironians.
