The.In the Archipelago, men built ships and women built houses, that was the custom; but in building a great structure women let men work with them, not having the miners' superstitions that kept men out of the mines, or the shipwrights' that forbade women to watch a keel laid. So both men and women of great power raised the Great House on Roke. Its cornerstone was set on a hilltop above Thwil Town, near the Grove and looking to the Knoll. Its walls were built not only of stone and wood, but founded deep on magic and made strong with spells..After a while she heard the latch rattle. The door opened. An ordinary-looking middle-aged man stood there. "What can I do for you?" he said. He did not smile, but his voice was pleasant..silver buttons, a pearl-hiked knife, and a square of Lorbanery silk. leggings and a loathsome felt hat, did not wink back. She played her part even while. Her father's ancestors had owned a wide, rich domain on the wide, rich island of Way. Claiming no title or court privilege in the days of the kings, through all the dark years after Maharion fell they held their land and people with firm hands, putting their gains back into the land, upholding some sort of justice, and fighting off petty tyrants. As order and peace returned to the Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and villages prospered. That prosperity and the beauty of the meadows and upland pastures and oak-crowned hills made the domain a byword, so that people said, "as fat as a cow of Iria", or, "as lucky as an Irian". The masters and many tenants of the domain added its name to their own, calling themselves Irian. But though the farmers and shepherds went on from season to season and year to year and generation to generation as solid and steady as the oaks, the family that owned the land altered with time and chance..strength in his arms. The dogs were leaping and snapping at his own legs now, and he was about to. The girl nodded, looking at Tern, then at Crow. She was thirteen or fourteen, heavyset though thin, with a sullen, steady gaze..He let that sink in for a while, and then continued softly, "And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself."..art magic used for right ends..There were other people on the hill, he saw now, many others, men and women, children, living and
