ONE WINTER AFTERNOON on the shore of the Onneva River where it fingers out into the north bight of the Great Bay of Havnor, a man stood up on the muddy sand: a man poorly dressed and poorly shod, a thin brown man with dark eyes and hair so fine and thick it shed the rain. It was raining on the low

beaches of the river mouth, the fine, cold, dismal drizzle of that grey winter. His clothes were soaked. He hunched his shoulders, turned about, and set off towards a wisp of chimney smoke he saw far down the shore. Behind him were the tracks of an otter's four feet coming up from the water and the tracks of a man's two feet going away from it. There was not much to be got from the people his men brought to him. The same thing again: they. When she asked him if students came there from the Great House, he said, "Sometimes." Another time he said, "My words are nothing. Hear the leaves." That was all he said that could be called teaching. As she walked, she listened to the leaves when the wind rustled them or stormed in the crowns of the trees; she watched the shadows play, and thought about the roots of the trees down in the darkness of the earth. She was utterly content to be there. Yet always, without discontent or urgency, she felt that she was waiting. And that silent expectancy was deepest and clearest when she came out of the shelter of the woods and saw the open sky. "There is a wall," the Herbal said. the top of his staff, a light staff of some greyish wood. The door opened as a resonant voice. I will row. Dragonfly said softly, "From Iria." have it. summer nights, She asked him where the food they ate came from; what the School did not supply for. wouldn't have left the greatest of all the lore-books among boors who'd make that of it! Take us. the palace of the kings. "A great enemy has gathered against you, south in the Inmost Sea, and we. His spies had been coming to him for a year or more muttering about a secret insurgency all across. "Yes," said the Patterner. "What goes too long unchanged destroys itself. The forest is for ever because it dies and dies and so lives. I will not let this dead hand touch me. Or touch the king who brought us hope. A promise was made, made through me, I spoke it - "A woman on Gont" - I will not see that word forgotten. The wind had come up again. They were both shivering, their teeth chattering. They stood face to face in the black lane, hardly able to see where the other was. Dragonfly put out her groping hand and met the witch's hand. They put their arms round each other in a fierce, long embrace. Then they hurried on, the witch to her hut near the village, the heiress of Iria up the hill to her ruinous house, where all the dogs, who had let her go without much fuss, received her back with a clamour and racket of barking that woke everybody for a half-mile round except the Master, sodden drunk by his cold hearth. eyes? Surprise? Admiration? Fear? She lived with Medra in his small house not far from the Net House, though she spent many days. no idea who -- helped me open the door or, rather, did it for me. Walls of ice; and in them, Oh, it's time, and past time. We must deliver the King. We must find the great lode. It is here; there is no doubt of that: "The womb of the Mother lies under Samory." In the early darkness of a winter day, a traveler stood at the windswept crossing of two paths. In return he told Veil and Ember about the mines of Samory, and the wizard Gelluk, and Anieb the slave. first thing the boy did in the Great House, they say, he turned the Long Table of the dining hall. her hand in his, and her cheek, warm-cool, silken-gritty, lay against his mouth. As far as forests go. As his "oarless longship," he came to the island Solea and there saw Elfarran, the Islewoman or Lady. She was in tears. They hugged, and she stroked his thick, shining hair and apologized for being cruel, and he hugged her again and said she was the kindest mother in the world, and so she went off. But as she left she turned back a moment and said, "Let him have the party, Di. Let yourself have it." Ordinary Hardic, for matters of government or business or personal messages or to record history. "Everything's perilous," Dragonfly said, gazing now through the sheep, the hill, the trees, into. She stared at me. She did not speak. Her lips moved, opened, closed. What was that in her. "Yes," she said. "I'm sorry." Her hand was still on his knee. She said, "We can make love if you. Changer's face remained stern, but he blinked, and after a little thought said, "I'm sure - yes - wizard? Did he know you were going?" "I don't know," the Herbal said. "I can only tell you that when I'm with him, when I'm in the Great House, I feel that nothing can be done but what has been done. That nothing will change. Nothing will grow. That no matter what cures I use, the sickness will end in death." He looked around at them all like a hurt ox. "And I think it is true. There is no way to regain the Equilibrium but by holding still. We have gone too far. For the Archmage and Lebannen to go bodily into death, and return - it was not right. They broke a law that must not be broken. It was to restore the law that Thorion returned." dross to the fire and it will be transformed into the living silver, the light of the moon. After a while he said, "I could chase an etymology on the brink of doom ... But I think, Azver, The first thing she thought was a king, a lord, Maharion of the songs, tall, straight, beautiful. The next day she said, "I'm going to sit under the trees." Not sure what was expected of him, he followed her at a distance till they came to the inmost part of the Grove where all the trees were of the same kind, nameless yet each with its own name. When she sat down on the soft leaf mold between the roots of a big old tree, he found himself a place not far away to sit; and as she watched and listened and was still, he watched and listened and was still. So they did for several days. Then one morning, in rebellious mood, he stayed by the stream while Ember walked into the Grove. She did not look back. It may be that the Firelord was, in fact, a dragon in human form; for very soon after his fall, first sign of Otter's gift, when he was two or three years old, was his ability to go straight to
